Industry Lunch & Learn Series

We are excited to share the success of our newest initiative. Industry Lunch &

Special thanks are due to Cheryl Moon, Lindy Paving, Inc. and CAWP President

Learn sessions have been developed with the aim of fostering stronger relationships between contractors, PennDOT, and the PA Turnpike. The goal is to build a unified highway construction industry where everyone works together towards common goals, eliminating the "us versus them" mentality.

The first Industry Lunch & Learn session was held on Tuesday, June 25th at Plum Contracting, and the second session was held on Thursday, December 5th at Fay S&B USA.

In both sessions, discussion focused on the critical topic of communication. Around 20 attendees from various sectors split into smaller groups and engaged in productive discussions.

The sessions were an excellent opportunity for open dialogue and sharing perspectives, and it highlighted the importance of effective communication in achieving our shared goals.

Ali Mills, Plum Contracting, Inc., for spearheading this initiative.

We look forward to continuing these Industry Lunch & Learns on a regular basis, hosted at various contractor offices. Together, we can strengthen our collaboration and enhance the success of our projects.
