## Safety Awards Programs – Get Recognized for Your Company’s Safety Achievements

It is time to submit your company’s safety statistics for both the CAWP/H2AP Safety Awards and the AGC NASA Safety Awards program. The entry forms were combined so that you submit only one form. Most of the information comes from your company’s 2024 OSHA Form 300A.

### CAWP/H2AP Safety Awards Program

The CAWP/H2AP Safety Awards program recognizes companies for their safe work performance in western Pennsylvania during the 2024 season. The award is an opportunity to receive well-deserved recognition from your peers in the industry. Awards are based on each company’s Lost Workday Incidence Rate. Awards will be presented at the annual CAWP/H2AP Safety Banquet on March 28, 2025.

*Note: The CAWP/H2AP Safety Award represents heavy, highway, railroad and utility work performed within the 33 counties of western Pennsylvania.*

### National AGC Safety Awards (NASA) Program

The AGC of America’s National AGC Safety Awards (NASA) program provides AGC members an opportunity to evaluate their safety record. Participating contractors receive a confidential printout to compare their company’s safety statistics with similar size and

type AGC contractor members both locally and nationally. Safety awards are given to members who have a zero incident rate or who have an incident rate 25 percent below each occupational division's average. Awards will be delivered in the spring of 2025.

*Note: The AGC NASA program is for AGC/CAWP members only. If you are unsure of your membership status, submit the electronic form and CAWP will determine eligibility.*
