Upcoming March Training

Post Injury Management

8 a.m. to 12 p.m. @ CAWP Offices

The goals of post injury management are to implement a process to reduce employee injury costs, while increasing employee morale and productivity. This process involves a carefully structured sequence of activities designed to facilitate care for the injured worker from the moment of injury through returning the worker to full duty.

Cost: Free / Instructor Matt Aubele, Sr Risk Control Consultant, Travelers

CAWP has partnered with OnPoint (formerly Amerisafe Group) to provide high quality safety and health training to the industry.

CAWP's partnership with OnPoint opens cost-effective opportunities for CAWP members to provide training to their employees when and where it makes sense to them. Together, we will be able to provide access to industry-specific safety training programs, workshops, webinars, and resources that are designed to enhance your crew's skill and expertise.

CAWP & H2AP Contractor members receive a 50% discount on training programs as a contributing contractor to our industry advancement fund (H2AP).

Membership Feature: Labor

Learn more about the labor relations services CAWP offers its contractor members, including the negotiation of collective bargaining agreements with the Carpenters, Cement Masons, Laborers, Operating Engineers, Pile Drivers, and Teamsters.

MENTAL HEALTH
MINUTE

**YINZ
GOOD?**

Bad habits are unhealthy behaviors that can often be difficult to shake. If you're feeling stuck in a cycle of addictive or negative behaviors, Help Guide offers resources and tools for learning how to break bad habits and replace them with

positive, healthy alternatives.
