Sponsorships Available for the 2025 CAWP/H2AP Safety Banquet

Congratulate the industry's 2024 accident-free supervisors by sponsoring an ad in the 2025 CAWP/H2AP Safety Banquet event program. These accident-free supervisors make it a priority to keep their crews, their job sites, and the motoring public safe. Show them your appreciation for their efforts and sponsor an ad in the program today.

Please submit the form to sponsor no later than Wednesday, March 5th to be included in the program.

Penguins Hockey Night

In the words of the late Mike Lange, iconic longtime Pittsburgh Penguins play-by-play broadcaster, it was "a hockey night in Pittsburgh" as the CAWP CLC gathered to watch the Penguins in a cross-state rivalry rematch against the Philadelphia Flyers on

Thursday, February 27.

This year's CLC Brandon Chaney scholarship recipients were honored in the Community Spotlight. Laborer apprentice Troy Buefort and Cement Mason apprentice Noah Wilson were in attendance and featured on the big screen prior to the start of the game. While the Penguins got off to a slow start, attendees witnessed a great comeback, with the game ending in a 5-4 overtime win.

Women in Construction Week: March 2-8, 2025

Cheryl Moon

Chief Engineer
The Lindy Group

“ There is so much opportunity for women to grow professionally and personally in this industry, as it is so large and so diverse that you can truly make it your own. ”

This week is WIC Week, or Women in Construction Week, designated to celebrate and promote the role of women in the construction industry. The National Association of Women in Construction (NAWIC) held the first WIC Week in 1998 and it has grown and expanded each year since.

For insight into the construction industry in western Pennsylvania, we interviewed

Cheryl Moon, a Chief Engineer with The Lindy Group.

CAWP has partnered with OnPoint (formerly Amerisafe Group) to provide high quality safety and health training to the industry.

CAWP's partnership with OnPoint opens cost-effective opportunities for CAWP members to provide training to their employees when and where it makes sense to them. Together, we will be able to provide access to industry-specific safety training programs, workshops, webinars, and resources that are designed to enhance your crew's skill and expertise.

CAWP & H2AP Contractor members receive a 50% discount on training programs as a contributing contractor to our industry advancement fund (H2AP).

OnPoint Training Courses

Membership Feature: Contractor & Associate Member Benefits

CAWP offers its members services in the areas of labor relations, workforce development, safety training, advocacy, networking, and events. You can also learn more about contractor or associate membership benefits at cawp.org/membership/.

MENTAL HEALTH **MINUTE**

**YINZ
GOOD?**

While healthy eating is important for physical health, nutrition also plays a role in mental health and wellness. The Academy of Nutrition and Dietetics holds National Nutrition Month® annually in March to focus attention on the importance of making informed food choices and developing sound eating and physical activity habits.

EatRight.org offers information on health and nutrition including recipes, meal planning ideas, preparation tips, and more.
